5. **Junior Judging References:** All applicants will be required to junior judge two (2) ApHC shows with two different regularly carded ApHC judges. Junior Judging may be done before or after an applicant successfully completes the European Judges Seminar. - When junior judging, the applicant must judge the entire show and submit their placings to the ApHC. The official judge must complete the Junior Judge Evaluation Form and ApHC Field Exam and submit it to the ApHC.
- It is the policy of the ApHC to instruct all judge applicants to first contact the ApHC Judge to obtain permission to junior judge with them. After arranging a junior judging assignment with the official ApHC Judge, the applicant must then contact the show committee, show manager or show secretary to obtain permission to junior judge at their show.
- A list of shows and their judges is available on the ApHC Web site at www.appaloosa.com or the show calendar is also published monthly in *Appaloosa Journal*.

- Upon arrival to the show, applicants should supply the official ApHC Judge with a Junior Judge Evaluation Form and ask that they complete and mail it to the ApHC office after the completion of the show. These forms are available from the ApHC Judges' Department.
 - When junior judging, the applicant should act as if he/she were the official judge and follow all judging rules and procedures. For example, the applicant should not junior judge if a member of his/her family is showing at that same show, etc.
 - Applicants may only junior judge with regularly carded ApHC Judges or ApHC European Judges.
 - There will only be one junior judge allowed per ApHC Judge per day.
 - Junior Judges are not to discuss anything with the official ApHC Judge until the class is complete and the judge's cards have been turned in. In between classes, the Junior Judge may discuss their placings with the official judge.
 - Junior Judge will turn their placings into show management to be returned to the ApHC with other official placings for review by the Judges Committee.
6. **Testing:** At the judge's seminar, applicants will be video tested and be required to live judge halter and performance classes. The applicant will also be interviewed and evaluated by a panel of ApHC officials. A written rulebook test will also be issued consisting of approximately 50 true/false and multiple choice questions.
7. **Final Review:** The applicant's file will be reviewed by the ApHC Judges' Committee after completion of the seminar. After successful completion of the seminar, the applicant will have two years to complete the junior judging requirement. After junior judging is completed, the applicant's file will be reviewed by the ApHC Judges' Committee once again. At this time, the ApHC Judges' Committee will make the final determination and award ApHC European judges cards to those individuals whose conduct, ability and performance warrant the privilege.
