Workshop - Show Software HrsWin in english

April 8, 2016 in Grosswallstadt

This workshop is addressed to Show Offices/Showmanagers who are experienced users of the software program HorseWin of the company FunnWare.

You may express special topics. Also this workshop offers a good opportunity to exchange "tips and tricks".

Date: **Friday, April 8, 2016 starting at 9 a.m.**

- Short theoretic introduction into the program for advanced use (wise setting of fees, new rules – new classes etc.)
- Entering and processing a show – clarification of open questions
- Use of „Access query" for own entry confirmations, invoicing, lists of stables etc. Besides the HrsWin software the Office Packet with Access needs to be available on the laptop.

Place: Seminar Room, Business-Sporthotel
                        Am Neubergsweg 6 - 10, 63868 Grosswallstadt

Instructor: Eva Gebhard

Registration: until March 21, 2016
                        maximum 10 participants

Topics/Info:

➢ The above named topics with practical exercises.

➢ You may bring documents for special shows you are planning or currently

   processing.

➢ You must bring your own laptop.

➢ It is possible to work with a demo version during the workshop but the personal

   HorseWin incl. Update 2016 would be better.
